There is power in numbers! I started a team for the Good Grief 5K Run and Walk on June 5th. I hope you will be a part of my team and join me in my fundraising efforts. As a team you will increase the impact we can make on our community.

Click the link at the bottom of this email to join my team today. If you can't join us, please consider making a donation so together we can support the thousands of grieving kids who benefit from Good Grief's programs each year!

Good Grief builds resilience in children, strengthens families, and empowers communities to grow from loss and adversity, and it is 100% privately funded. Their programming is free of charge to all participants for as long as they need the support.

Thank you for supporting me and for positively impacting the lives of so many.

Click on the join my team option. This will pre-populate an email message for you. You may customize this message however you see fit or send as is. Add in recipients if you have not already selected them from your contact list. The email will automatically include a link to join your team at the bottom after it is sent

The very first link in the email will take your invitee to your personal page. They can click the button to join your team; they can also donate now if they do not wish to register to participate, or access the team page directly. Your personal page will refer to "your" team, since each participant has an individual fundraising goal. If you are not a team captain, everyone who join's your team is joining the team which you have registered on
